"MONEY IS ESSENTIAL IN OUR LIVES"

It is said that we need no money to be happy - which can be true - and rich people have a poor heart. We have even experienced hippy movements, completely against material possessions, depending only ~~the~~ peace and love. But that does not mean that money is ^{not} essential in our lives.

As far as I am concerned, we need to eat and food requires money to trade with. If people were richer, they would not need to do break-ins in supermarkets with the purpose of getting ^{some} food. It is the same with the homes. We ~~would not~~ ^{will not} have ^{more} "okupas" ^{SQUATTERS} in Spain ~~we~~ as long as they have money enough to pay the bank.

It is true that ^{more} the ~~much~~ you have, the more you want, and ~~some~~ many times it makes people corrupt, but it is essential in our researching for cures for illnesses such as HIV or rare ones. I wish no more people were killed by them, and that is ~~ent~~ possible only with money.

For the food, for the home and for the life, money is essential in our lives.
